**Dear Friends,**

*The Department of Cardiothoracic Surgery is happy to invite you to a live workshop on "Minimally Invasive Mitral Valve Surgery". Two world renowned experts in the field of minimally invasive mitral valve repairs will be interacting and demonstrating the intricacies of this advanced technique. Professor Nicolas Doll from Germany and Mr. James Edwards from Australia will take us through two days of live surgeries, lectures and interactive sessions. Along with them will be a team of national faculty who too will share their experience with us.*

*We invite you to this unique opportunity to interact with these surgeons from two continents and enrich our knowledge in this specialized area.*

*We look forward to your active participation.*

*Yours sincerely,*

**Dr. V.V. Bashi**  
Chairman  
Organizing Committee

**Dr. Vijit K Cherian**
